CHEMICAL EDUCATION AWARDS TRUST

1 April, 2008

Dear Head of Chemistry

I am writing to invite you to apply for a grant from the Manawatu Chemical Education Awards Trust in 2008. An application form is enclosed.

Only brief applications are necessary, but please clearly identify the benefit to the teaching of chemistry in your school. We also request that you send proof of the price of the requested item in the form of a written quotation, or copy of a catalogue page etc.

If you are also applying to the New Zealand Institute of Chemistry Chemical Education Awards Trust, please **do not** request the same item from this Trust.

In general, grants of up to \$500 are awarded. The total pool of money for grants totals about \$3500 each year.

Please return completed forms by 30 May 2008 to:
