

Spectroscopy Resources with QR codes

Prepared by Dr Michael Edmonds, Christchurch Polytechnic Institute of Technology

Thanks to Ian Torrie, St Cuthbert's College, Auckland for providing many of these links

Organic spectroscopy resources, University of Colorado

(includes various tutorials on IR/NMR/MS)

<http://orgchem.colorado.edu/Spectroscopy/Spectroscopy.html>

RSC SpectraSchool

(basic description of NMR, IR & MS theory plus interactive spectra tests)

<http://www.rsc.org/learn-chemistry/collections/spectroscopy>

Youtube video describing basic interpretation of carbon 13 NMR

<http://www.youtube.com/watch?v=BeBcPQ9zGAA>

Youtube video describing interpretation of IR spectroscopy

<http://www.youtube.com/watch?v=XIWc9eT476c>

Youtube video showing NASA's use of mass spectrometry

<http://www.youtube.com/watch?v=L4U6ImYSj0>

Youtube video about Mass Spectrometry by Royal Society of Chemistry

http://www.youtube.com/watch?v=J-wao0O0_qM
