

## NZIC Year 12 and 13 Chemistry Practice Exams 2018

Contrary to promises that 2017 would be the last year I would manage the NZIC exams, I have agreed to do it one more time to help ease the transition for the new NZIC Administrator. For this reason I am using my home address for any mail as the Christchurch PO Box is closed.

The Year 12 assessments will cover the externally assessed Achievement Standards in level 2 Chemistry  
i.e. Chemistry AS91164 (2.4), AS91165 (2.5) and AS91166 (2.6)

The Year 13 assessments will cover the externally assessed Achievement Standards in level 3 Chemistry  
i.e. Chemistry AS91390 (3.4), AS91391 (3.5) and AS91392 (3.6)

A scholarship exam is also offered.

All assessments will come with a suggested assessment schedule.

**We are aiming to have the assessments available by the beginning of Term 3.**

The only way you will be able to obtain copies of the 2018 assessments is by downloading them from the NZIC website. This will be managed in the same way as you can access previous exams from the [www.chemteach.ac.nz](http://www.chemteach.ac.nz) website. For this the username is catalyst and the password is NiPdPt. This is a teacher resource. Do not give the access information to students.

When the 2018 assessments are available those who have ordered will be emailed a username and password for each level.

The order form for the exams is on a separate enclosed sheet.

A reliable email address must be supplied and please print these clearly. Particularly make full stops, hyphens and underscores distinctive.

**Payment must accompany your order either as a cheque or with information on the direct credit.**

**The information on the Direct credit entry must include the invoice number.**

**If you get accounting staff to manage financial aspects of the order, and particularly if you direct credit, please make sure the order form gets sent to NZIC Exams C/- 29 Mappleton Ave, Burnside, Christchurch 8053 or scanned to [rendle@xtra.co.nz](mailto:rendle@xtra.co.nz).**

**Payment without documentation may prevent your order being filled.**

**Please note: that you do not have to declare printing copies of these under copyright licencing.**

**Once purchased you may freely photocopy.**

**However you can only use these exams for students within your school**

**A RELIABLE EMAIL ADDRESS IS ESSENTIAL AND MUST BE INCLUDED ON THE ORDER INVOICE**

**Direct Credit.**

Details are

Account Name: New Zealand Institute of Chemistry; Bank: BNZ; Branch: North End.

Account Number: 020585 0057263 00

If your school prefers to direct credit please make sure the completed order form with details of the direct credit is sent to NZIC. The information to the bank must quote the invoice number.

NOTE: All correspondence relating to these exams should be directed to

Coordinator: Richard Rendle
